!!! Na WebUP#62 vyplň RSVP https://forms.gle/WwH7Mz9BFSMHtG346 aby si sa dnu dostal. Je to koli plánovaniu občerstvenia na networking party a aj hornému kapacitnému limitu !!!

WebUP je stretnutie nadšencov pre vývoj webu a súvisiacich tém v Žiline. **WebUp#62** bude konať v predvečer konferencie Codecon v STREDU **26.11.2025 18:00 fyzicky on-site v GoodRequest** , NordCity Zilina! Príď si vypočuť skvelé talky, naučiť sa nové, dať si pivko a pokecať nielen o web technológiách s rečníkmi a navzájom.

**#1 Smart home from zero - Peter Dudjak (GlobalLogic)**

Premeniť domácnosť na inteligentnú vieš prekvapivo za lacno a je to aj zábava. Počas prezentácie porozprávam, ako som začal a čo bol môj prvotný cieľ. Ukážem, kam ma to posunulo, ako mám domácnosť nastavenú dnes a ktoré zariadenia mi najviac zjednodušujú život. Na záver prezradím, čo plánujem doplniť a ako chcem všetky zariadenia prepojiť.

**#2 Praktické využitie AI v životnom cykle vývoja software - Vladimír Kvočka, Peter Reguli (GoodRequest)**

Umelá inteligencia zásadne mení spôsob, akým navrhujeme, vyvíjame a testujeme softvér. V diskusii sa pozrieme na praktické využitie AI v jednotlivých fázach SDLC – od špecifikácií
